Amedeo Avogadro Video Questions

Instructions
While watching the *Founders of Chemistry* video about Amedeo Avogadro, answer the following questions:

1. What is the value for a mole?

2. What is John Dalton’s atomic theory?

3. Why were Avogadro’s claims questionable to the scientific community?

4. How can both Dalton and Gay-Lussac’s claims be true if Avogadro is right?

5. When did Avogadro publish his ideas and when were they accepted?

6. What is the definition of a mole?

7. What year was the phrase ‘Avogadro’s constant’ first used in a published paper?

8. Why was Avogadro given credit in this paper?
