What is a Screencast?

A Way to provide instruction or demonstrations through a video.
Why?

I would do a screencast because....
Why Do A Screencast?

- Lower depth of knowledge content.
- Need practice.
- Deliver notes and practice taking notes with guided notes.
- Great for pre labs.
- Can work these in with formative and summative assessments.
Materials, Methods, Tips and Tricks?
Visually Stimulating?
Stylus?
Tips for Presenting and Recording

Print out a version. Practice and make notes.

Do the "Publish to the Web" version.
